

### **Local entrepreneurs complete business development program created by Gran Tierra Energy and the Corporation “Consolidar”**

**San Martín, Cesar, October 23, 2017-** 42 entrepreneurs from San Martín, San Alberto and Río de Oro (Cesar) successfully completed and received a business diploma in "Development of Organizational Competencies for Strengthening Service Management". This program was developed by Gran Tierra Energy and the Corporation “Consolidar”. Representatives of both organizations were in attendance in San Martín to present the diplomas.

The training course took place from July 1 to October 20 and included 42 entrepreneurs from 32 local companies who had the opportunity to deepen and improve their knowledge in business development. This initiative was developed by Gran Tierra Energy with the objective of strengthening the structure and management capacity of the entrepreneurs in the areas surrounding the company's operations.

Gran Tierra Energy believes in creating local jobs in the communities that it operates. By training local entrepreneurs and local businesses, Gran Tierra seeks to support and increase the competitive conditions of companies in the region.
