

Gran Tierra Delivers a Computer Room to the Educational Institution in Mocoa

Mocoa, Putumayo, September 6, 2017 –Gran Tierra Energy continues to support community of Mocoa after last April's tragedy via the donation of a computer classroom for the Ciudadela Nueva Educational Institution.

The Gran Tierra Energy Colombia Employees Fund, Fongratierra delivered the donation on behalf of Gran Tierra Energy and its employees. Gran Tierra Energy matched every peso that was contributed by its employees, allowing in this way to double the amount of the donation, a figure that reached 54 million pesos.

This initiative, came from a direct request of the Mocoa community, seeks to strengthen the processes of education and digital literacy in region. This workspace equipped with 20 computers of latest technology, video beam, network connectivity through of the respective devices and air conditioning for the room. In addition, the program includes the development of a series of entrepreneurship workshops to provide graduating students with tools to formulate business ideas.

Gran Tierra Energy and its employees continue to promote spaces of social strengthening and sustainable benefits in the communities and social groups in the territories where the Company operates.
